(Transporter) History shipment menu - Completed

The screenshot shows the Mahyu web application interface. The top header displays the Mahyu logo and the user profile 'Transporter Test' with a 'Transporter Test' label. The sidebar on the left contains navigation options: Home, 1. Company Management, 2. Schedule Shipment, 3. Received Order, 4. Monitor Shipment, 5. History (highlighted), 6. Customs Clearance at Origin, 7. Customs Clearance at Destination, View All Notifications, FAQ, and Logout.

The main content area is titled 'History' and shows 'Shipments in Progress.' Below this, there is a 'Show 10 entries' dropdown and a search bar. A table displays the shipment history with the following columns: Order No, Origin, Destination, Depart Date, Status, Shipper, Driver, Type, and an action column. The table contains one entry with the following details:

| Order No | Origin | Destination | Depart Date | Status | Shipper | Driver | Type | |
|----------|--------------------------|--------------------------|--------------------|-----------|----------|----------|----------|---|
| 30#2 | Amsterdam, Noord-Holland | Amsterdam, Noord-Holland | Mon, 29 June, 2020 | Completed | SHP-Test | Driver 2 | Domestic |   |

Below the table, it says 'Showing 1 to 1 of 1 entries' and includes 'Previous', '1', and 'Next' navigation buttons. A red box highlights the 'Completed' status and the 'SHP-Test' shipper information in the table row.

2. When Payment of completed shipment has been verified by Mahyu-admin, shipment detail is added into History menu
