The image shows a screenshot of a 'Track Order' interface. At the top, there are two tabs: 'Map' and 'Driver'. A red arrow points from the 'Driver' tab to a red-bordered box containing the text '4. To view Driver Information'. Below the tabs is a map of the Jakarta region, including areas like Tangerang, Bekasi, and Tambun. A red line indicates a shipment route. Two callouts with red arrows point to specific markers on the map: one points to a blue house icon labeled 'Icon - Transporter driver location', and the other points to a red pin icon labeled 'Icon - Pick up location'. The map includes standard navigation controls like zoom in (+) and zoom out (-) buttons.
